

One Day Winter

FIT Itinerary

Morning

Ski Marmot Basin

Located only 20 minutes from the town of Jasper Marmot Basin offers superb skiing and snowboarding for all ability levels. Onsite rentals, lessons for beginners and wide open spaces make Marmot Basin perfect for groups. For lunch, try the Caribou Chalet for either sit down dining or a take out lunch on the hill.

Afternoon

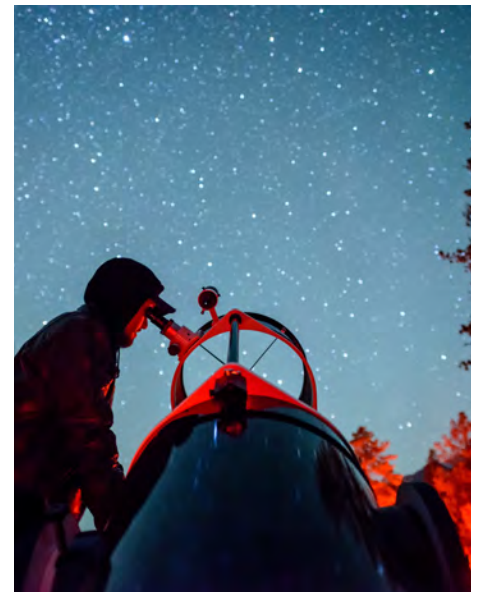

Maligne Canyon Icewalk

Strap on anti-slip cleats to venture through the frozen Maligne Canyon for an ice walking adventure you will not soon forget. With a knowledgeable guides from Sundog Tours or Jasper Hikes & Tours you will have to chance to photograph unique ice formations, learn about the canyons mysteries, and experience fun canyon features.

Evening

Jasper Planetarium and Telescope Experience

Take a tour of the world's second largest dark sky preserve in the Jasper Planetarium's 40-seat dome theatre and peer through the largest telescope in the Rocky Mountains after the show.
