CANADIAN SKYLINE ADVENTURES

Wildlife Talk Presentation

This engaging 30-minute evening talk is ideal for tour groups. Presented by a skilled naturalist, this program focuses on Jasper's wildlife and includes hands-on props such as antlers, horns, and claws. Followed by a Q&A session. Custom topics are available. Perfect for after-dinner programming from May to October—contact us to learn more or book a presentation.

JASPER-HINTON AIR

Indigenous Heli Tours

This is an exclusive journey with Jasper-Hinton Air and Lauren Moberly, a Rocky Mountain Cree woman and a member of the Aseniwuche Winewak Nation of Canada. The tour begins with a scenic helicopter tour, Lauren's ancestral tales, tracing her family's path from 1909, a view of her historic homestead from an aerial perspective, and traditional bannock snacks. Tour options: 1 or 2-hour flight, total duration approx. 4 hrs. Max 5 passengers, combined weight limit 500lbs. Available year-round.

Wildfire Peak-Nic

Offer your clients a rare glimpse into Jasper's remarkable rebirth after the largest wildfire in over a century. The Wildfire Peak-Nic tour takes them on a 4-km guided hike through a rejuvenating forest, where they'll learn about wildfire ecology, identify emerging plant species, returning wildlife, and enjoy 360-degree views over a hot lunch. This unique experience promises an unforgettable connection with Jasper's powerful landscape. Daily tours from May 1 to Oct 15, 2025; depart from Old Fort Point (5 minutes from Jasper), with hotel pick-up available within 10 km on request.

E-Bike Safari Eco Tour

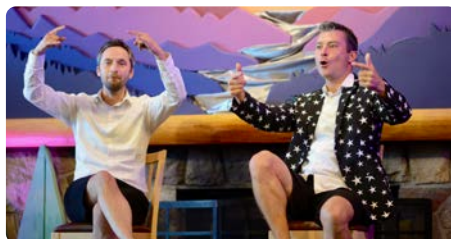

Your clients can embark on a 25 KM eco-friendly e-bike safari through Jasper National Park's hidden gems. They'll take in panoramic viewpoints, stroll along white-sand beaches, dip their feet in turquoise lakes, and spot wildlife like elk and bears. This guided interpretive tour covers post-wildfire growth and regional ecology. Daily tours from May 1 to Sep 30, 2025; departures at 1:30–5 PM; no e-bike experience needed. Starting point: 86 Connaught Drive.

JASPER THEATER PRODUCTIONS

Storytelling

This new storytelling product offers your guests the opportunity to truly connect with the local community of Jasper. Your guests hear stories from a professional storyteller about Jasper that cover a wide range of topics (wildlife stories, community tales and personal stories), and they can connect and ask questions to locals Joost or Pieter. This experience is highly flexible in terms of location and timing and is specially designed for tour groups.

Dinner Theater on Location

Transform ordinary group tours into unforgettable experiences with our exclusive theatrical private dining at a location of your choice, featuring professional performers who captivate guests between courses with a positive, local, and comedic show. A seamless blend of entertainment and fine dining that your guests will rave about. Both parts are like 15/20 minutes long and add something unique to your itinerary and dinner.

3-course Dinner at Olive Bistro & Show

Enhance your tour with a flexible package: a theater live show at The Legion followed by dinner at the popular and locally owned Olive Bistro & Lounge. This easy-to-book option is perfect for groups. It offers excellent value, better margins, and provides guests with a premium local experience, featuring top-quality entertainment and delicious food—all in one evening.

ROCKABOO MOUNTAIN ADVENTURES

Tread Lightly Glacier Hikes

Embark on an unforgettable adventure with our new sustainability-focused guided tour, hiking on the awe-inspiring Athabasca Glacier. Join a small group and immerse yourself in the world of glacier science, environmental protection and efficient travel. If conditions permit, take the plunge and descend into the icy depths using ropes, for a once-in-a-lifetime experience. Sundog Tours will drop off clients at the Rockaboo's kiosk at the Icefields at 12:15 pm daily, providing transportation back to Jasper.

Private Backcountry Ski Touring

Jasper welcomes ski guests from around the world to enjoy the great alpine skiing at Marmot Basin, yet very few venture into the magic of the backcountry. If your clients are curious about what gems lie hidden in the vast wilderness, let our guides show you a few of our favourites. Available from Dec 1 to March 31.

Jasper Ice Wall

Located in downtown Jasper, this ever-changing ice structure transforms with the weather, revealing new formations and climbing routes. Join our 90-minute tour of the Jasper Ice Wall and experience the magic of ice. We shape it based on nature's conditions, creating a dynamic adventure. Dare to climb and discover the thrill of vertical ice!
